Prison congregations are a common amusement for Stickman because he always carries out various illegal and life-threatening acts. Either in this game or in the complex game Stickman is under close supervision. Of course, he wants to run away from all these guards and at least once normally sleep on a soft bed. Fortunately, the hero has friends who sent him a cake with a surprise inside. You know what a surprise this is? It depends on your imagination. The gift should be chosen by itself. Keep in mind that your choice will define other game events. You will be able to solve many problems and be responsible for a set of results. Next Chapter 2 – Ock Overlook Oil Spill Prev Chapter 2 – Ock Overlook First Must Be The Last Blessed Are Humble? is the title of one of the missions available after you get to the second chapter of the main story in Red Dead Redemption 2. This mission involves rescuing Micah, who is being held at Strawberry Prison. After it is released, you have to break through the city and successfully escape. How to unlock a mission: Visit a strawde prison. Mission guide: When you reach Strawberry, go to jail to talk to local law enforcement. You can leave the building now. Reach the bottom window of the prison cell, as shown in the picture and talk to Micah. You're going to have to release him. You have to tear down the prison wall and you can do it in two ways. The first method is to use dynamite, if you have it. Throw dynamite on the wall and move to a safe distance. The second method is to use a nearby steam engine. Grab the hook, get to the window with it and attach it to the lattice. Then pull the lever. Start by wearing a headscarf (remove it from the drop down menu) so you won't be making any trouble at Strawberry. If you ignore this activity after completing the mission, the main character will be wanted with a great reward reward for catching him. A long journey through the city begins, during which you have to follow Micah (wants to reach several places). Help him eliminate emerging enemies - Micah must not die because you fail the mission. Also Don't set yourself up in open space because you can become an easy target for your enemies. If several enemies suddenly appear in this area, consider using the capabilities of the Dead Eye. After Micah fixes things in one of the states, march through the city again. Kill more enemies and reach the horses to begin your escape from the city. During the escape you will be attacked by enemy riders. Shooting them in the standard way can be problematic. A better solution is to use the Dead Eye. The mission will end when you move away from strawdy. As a reward you will get a second holster (Off-Hand Holster) - from that moment you can use two weapons at the same time. How to win a gold medal in Blessed are humble? Kill law enforcement officers on horseback in less than 55 seconds while fleeing. It is best to help you with a dead eye that allows you to easily get rid of all visible enemies. Up to 15 precise shots. Try to make perfect shots, especially during the fighting in the city, as it's easier to focus carefully. Complete with at least 70% accuracy. Improve your accuracy by completing the previous challenge. Also use your dead eye skills during your escape to horses. Complete missions without using health recovery items. Don't die in open space during strawberry fighting because it's easy to come under fire. Red Dead Redemption 2 Guide is an extensive tutorial that will guide you through all major and lateral quests. Our tips describe trophies and achievements, weapons and help you find all the secrets and collectibles. Check out our RDR2 maps. The guide to Red Dead Redemption 2 is a compendium of knowledge about the new production of Rockstar Games. In our guide you will find a variety of tips, information and advice that will allow you to learn more about the rules of the game, and reveal all the secrets it hides. The first pages of the guide are dedicated to tips on how to start and other advice on how to learn the most important game mechanics. These include topics such as travelling around the world, fighting, taking new missions, meeting companions in camps or engaging in side activities such as hunting. Our RDR 2 guide also includes a FAQ section. Among other things, it informs on how to use the mechanics of fast travel, as romantic NPCs or how to repeat missions, to try different paths and possibilities of dialogue or to win gold medals. Much of our guide is devoted to the Red Dead Redemption 2 tutorial, which describes all the main story of the mission along with information about the possibilities that appear in it and the requirements for winning gold medals. However, the guide does not skip the optional tasks that can be solved between promotions to the main plot of play, such as robbery or fishing. There is also a page on a rather unusual form of economic activity of our protégés - loansharking. Red Dead Redemption 2 is a game with a huge open world, so our guide would not be complete without an extensive world atlas. It contains a map of the world where we have identified all the most important locations, lodges, gang hideouts and hidden treasures. The guide should help you find all the secrets and collectibles that include collectible cards, dinosaur bones, legendary animals and recipes. Our guide to RDR 2 is complemented by a chapter on how to achieve 100% completion of Red Dead Redemption – we provide a complete list of activities needed to complete the game completely. Among them are side missions related to aliens, bounty hunting and chance encounters with people in the game world. On the following pages you will also find some advice on gambling in which you will be able to participate in RDR 2. It will be: poker, blackjack, dominoes, as well as five finger fillets. We have also prepared a trophy guide that allows you to unlock all available trophies and game achievements. Each trophy has a detailed description of the requirements for unlocking it and a commentary on how it can be easily done. Red Dead Redemption 2 in a nutshell Rockstar made us wait a long time for the sequel to this amazing series. The first part was released on PS3 and Xbox 360 on May 18, 2010. The game received a high score and total recognition, won the favor of both - the game press and players. After eight years Rockstar Games returns to the topic, but this time the story takes us back in time (RDR2 is a prequel). The famous Dutch van der Linde gang is being forced to fight for survival in the wake of the failed attack in Blackwater. The main character, Arthur Morgan, has to make decisions that will allow him and the whole gang to survive. Return to the Wild West in RDR2. RDR2 is still a third party perspective (TPP) game, although developers have also added the ability to use the FPP view. Of course, the well-known Dead Eye bullet time system, which allows the rapid removal of several enemies, returns in this section. The prequel is still an open and hassle free world game, and the map of the world is literally huge. The world is larger than in GTA5, and the creators have revealed that in the second part of the map known from the first part of the Red Dead Redemption, we can also visit New Austin and Armadillo. RDR2 runs on the GTA 5 engine, but has been greatly improved for the new project. The engine of the game will, among other things, take advantage of the euphoria system, i.3D i.e.3D animation of a character designed by natural motion, covering the entire figure or body muscles. For example, as a result, enemies die very realistically and spectacularly. Red Dead Redemption 2 also has a multiplayer mode. The so-called Red Dead Online will launch after the premiere of the game (in November as a beta). Also, in multiplayer mode there will be links and background of the story line. The premiere of Red Dead Online will take place in January 2010 on ps4 and XONE consoles. Red Dead Redemption 2 Map Red Dead Redemption 2 map is huge, much larger than the one we know from GTA 5. You will be able to visit the entire map known from the first part of the RDR - most likely you will perish or lose many times. From towns and cities to mountain peaks, endless fields, canyons and deserts - RDR 2 map is big enough to introduce fast travel systems (e.g. train). A faithful horse, of course, will be useful for crossing wild trails. Trophies and achievements Sizing trophies will help you unlock all your achievements and trophies in Red Dead Redemption 2. Each challenging trophy is described on separate pages of our guide, and tips will be much more enjoyable (and easier!) when mastering the game. With this tutorial you will be able to win a platinum championship trophy in no time. FREQUENTLY ASKED QUESTIONS K Yq part of this guide - I have a problem and look for answers is a collection of the most important questions that you can ask about RDR 2. Contains images of characters and themes from the game. Will Red Dead Redemption 2 have a season to go through? No, Rockstar Games did not declare the season to pass, as in the case of the release of GTA5. Perhaps this means that Rockstar does not plan any DLC single player mode and after the release of Red Dead Online will focus only on releasing DLC to multiplayer. Can I play in Red Dead Redemption 2 offline? It is difficult to say - currently the developer has not revealed whether we will be able to run the game on consoles without the need for a permanent Internet connection. Of course, Red Dead Online will require permanent network access. Is red dead redemption 2 prequel first title? Yes, the events in RDR2 were set in 1899, which predate the events of the first part. In the second title the Dutch van der Linde gang still exists, and it includes the main character of the first part, John Marston, as well as the main character of this title - Arthur. Marston is still an active member of the gang at the time, and the whole game tells the story of the collapse and collapse of a criminal group and explains exactly what led Marston to abandon the crime path. Is there any chance that Red Dead Redemption 2 will be available on the PC? Currently neither

the game developer nor the publisher has accepted an official statement on this issue. However, some press leaks as well as general trends in the gaming market suggest that this version of the game will be released in the future. On release day (October 26, 2018), the game was only available on Xbox One and PlayStation 4.Is is there any chance that Red Dead Redemption 2 will be available on the Nintendo Switch? Currently neither the game developer nor the publisher has accepted an official statement on this issue. Although the game seems too technically advanced to work on a Nintendo console, some industry experts still hope for such a version. They point to a successful transfer to Nintendo's platform of such complex titles as Doom, Wolfenstein 2 or Rockstar's LA Noir. Another option is to make Red Dead Redemption 2 available to switch users through the streaming service, as will be the case with Assassin's Creed Odyssey. On release day (26.10.2018), was the game only available on Xbox One and PlayStation.Is in multiplayer mode in Red Dead Redemption 2? Yes, the game has a multiplayer mode called Red Dead Online. However, it will be available to users after the official release of the game (beta mode is likely to launch in November 2018). Currently, Rockstar has not released any details about online game mechanics. Is there Zombie Mode in Red Dead Redemption 2? There is currently no official information on zombie mode for this title, known from the first part as the Undead Nightmares Challenge. However, due to the great interest of the recipients of games in such a mode, can not be excluded that it will be added in one of the planned DLCs.Is there FPP view in Red Dead Redemption? The game has a full-fledged first-person display system. In playstation 4, the Player can change the view on the fly using a touchpad integrated with the controller. In addition to TPP and FPS views, the player can also watch the game using a movie camera known from Rockstar games. How long has Red Dead Redemption 2 been? According to information provided by one of the creators of the game, Dan Houser, Red Dead Redemption 2 should provide you with at least 60 hours of entertainment. However, there are no precise data on what aspects of the game and how many side activities are able to expand the overall game. How huge is the world in Red Dead Redemption 2? According to the producers of the game, the map on which the game will be played is the largest in the history of the Studio Rockstar. In practice, this means that the map will have more than 127 square kilometers, as in the previous largest game of this developer - Grand Theft Auto V.What is the rating PEGI Red Dead Redemption 2?
